The kids are fine

## The kids are fine

“The kids are fine” is een serie tekeningen die bestaan uit situaties waarin kinderen de hoofdrol spelen. Deze situaties balanceren tussen spel en alarmerende vormen van misbruik, sadisme, mishandeling en pedofilie.

De uitgegumde delen vormen soms een wezenlijk onderdeel van de tekeningen. Alle tekeningen zijn klein ten opzichte van het vel papier die een grote leegte toont. Hierdoor lijken de hoofdrolspelertjes te klein voor de wereld waarin ze zich bevinden. Ze ogen kwetsbaar, vertederend, medelijwekkend maar ook meedogenloos.
